One of the pleasures of being Athletic Director is planning the annual Hall of Fame induction. Each year, I research the inductees and enjoy remembering their achievements and accomplishments. This year is slightly different. I have no recollection of the 1984 Softball team, and I think that is the case with many people within the Lynchburg-Clay community. The Lynchburg-Clay Athletic Hall of Fame was created in 2011 and the teams and players that have been inducted thus far have been filled with individual awards and recognition. That is not the case this year.

The 1984 Softball team was the first Lynchburg-Clay team to win a Southeast District Championship. That is easily forgotten because no individual players on that team won any awards. In 1984, there were no post season individual awards for girls team sports; no All Southern Hills League team, no All Southeast District Team, and no All Ohio team. Not having any individual postseason honors to remember makes it easy to overlook this team. But in my research, I found the 1984 Team to be a very good team. They averaged over 17 runs per game and outscored their opponents by over 10 runs per game.

The 1984 season was a quirky season. The girls played their first 2 games on April 11 and 12 and, due to rain-outs and the annual senior trip, did not play again until April 26. They had only played 5 regular season games before the Sectional tournament started. The team began their tournament run by winning the Sectional and District championship during the week of May 9-16. They then played 3 league games over the next 5 days and resumed regional tournament play on May 23, eventually losing in the regional finals to the 1983 defending state champion. After bowing out of the tournament as Regional Runners-Up, the team would go on to win 3 more league games, making them Southern Hills League Champions. When it finally ended, the girls had played their last game on June 1.

Even though they have lacked recognition in the past, the 1984 Lady Mustang Softball team are a truly deserving team and will be a great addition to the Lynchburg-Clay Athletic Hall of Fame. Congratulations to the team on their induction.

Cheryl Cone Albert, Marian (Roush) Lewis, and Shawn (Kaiser) Gall were also members of the team.

My fondest team memory is singing the Footloose soundtrack on the bus. My job as an outfielder was pretty easy because Tamara was such a fierce pitcher.

—Shannon Wilson

Playing Softball for the Lady Mustangs in 1984 was a great experience and fun. The time we spent at practice, the bus ride to the games was just as important as the games. The bus rides involved singing wheels on the bus go 'round and 'round, Bingo was his name and listening to the Footloose soundtrack tape. Janie Dotson, Barb Short, and I were co-captains being the seniors on the team. I was the pitcher, Janie first baseman, and Barb the catcher. A lot of the ladies on the team we had played slow pitch softball in town at the girls and women's leagues for years. I think that is one of the reasons we knew each other so well and got along. I was the most valuable player that year. Jeff Wolfe was a great coach. He knew we all knew how to play and offered advice, coached and let us play the game, that is why he was a great coach for the 1984 Lady Mustangs Softball team.

—Tamara Hatch

Lisa Neely and I remembered a few funny things about Mr. Wolfe:

-Mr. Wolfe ripping his signature black polyester pants while coaching third base. He was yelling for one of us to bring him his jacket so he could tie it around his waist to cover himself up.

-Mr. Wolfe quickly waving his helicopter arms telling us to come on and go, go, go, get to home base!

-Mr. Wolfe saying dedicate your body get in front of that ball no matter what!

-Mr. Wolfe was a great man who was always kind, fair and never had favorites. He would always be encouraging and positive with all his athletes.

—Janie Dotson DeBoard

I am so old I forgot I was even on the team!

—Denise Vilvens Mootz

L-Clay Ladies Close Season

The Lynchburg-Clay ladies softball team ended its season in high fashion last week, trouncing Fayetteville, 31-4, Thursday evening and blasting North Adams 32-6 Friday. That's pretty good evidence of how the offense led the Mustangs to the final eight in this year's Class A state softball tournament.

The scores speak for themselves and needless to say some amazing offense performances were turned in. The pitchers also faired pretty well.

Leading the way during the two-game splurge were seven girls who each batted .500 or better but it was Lisa Fawley and Janie Dotson who compiled the most outstanding statistics. Both went 8 of 11, Fawley tatooing the opposing pitchers for three home runs, three triples and two singles while Dotson stroked a home run, two triples, a double and four singles.

Barb Short was 7 of 10 with a triple, Kim Reck 6 of 8 with a double, Michelle Credit 6 of 9 with a home run and a double, Denise Vilvens 6 of 10 with a home run and a triple and Julie Lippert was 5 of 10 with a double.

Others turning in good performances were Marian Roush 1 of 2 with a double, Kelly Richardson 1 of 2 and a walk and Annie Randolph 1 of 4. Lisa Truman, who had been out all year with a broken arm got on base and Tonya Buchreitz and Tamara Hatch turned in good performances.

Hatch went the distance in the first game to pick up her eleventh win of the season. She finished the season at 11-2. Julie Lippert got the win in the second game.

The lady Mustangs finished the season at 13-3 overall and 8-2 in SHL action. Watch this page for an upcoming wrap up on their fine season and season stats.

Lynchburg District Champs, Advance To Waverly Regional

The Lynchburg-Clay girls softball team captured the District title and a chance to participate in the regional tournament yesterday after a 10-5 score lifted them over Eastern Pike. The Mustangs are now one of only 16 teams left in the state's Class A Softball Tournament.

Although neither was counted as a hit, Julie Lippert and Denise Vilvens launched shots in the first inning that were good enough to let them touch all the bases and get the Mustangs off to a flying start. After the quick start the Mustangs had to rely on some superb defense to get them

out of a few tight situations. "Defense saved us when the bases were loaded," commented Coach Jeff Wolfe over the phone this morning.

In two separate innings Eastern Pike had loaded the bases on walks issued by Mustang pitcher Tamara Hatch, but each time she managed to get out of the inning unharmed. Coach Wolfe cited a couple of fine defensive plays by Vilvens and Michelle Credit as the reasons for the narrow escapes.

At the plate, Credit was two of three with a triple and Lisa Fawley was two of four

to lead the Mustangs in that area. Vilvens, Janie Dotson, Julie Lippert, Barb Short, Kim Reck, Shannon Wilson and Annie Randolph each added single hits. Although she had some trouble with walks, Tamara Hatch went the distance, allowing only six hits while striking out two.

Lynchburg will now face the winner of the Westerville District but at this time they do not know who that is. Their regional game or games will be played at Waverly.

The Mustangs are now 7-1 in their weather shortened season. They face the Ripley Blue Jays tonight in a rescheduled SHL contest.

Lynchburg In Final Eight

Waverly—The Lynchburg-Clay girls softball team advanced to the finals of the Waverly Regional Tournament yesterday by trouncing New Albany, 19-3. If the lady Mustangs can win their next tournament game they will become one of the final four Class "A" teams and will earn a berth in the state tournament.

It did not take the Mustangs long to get on track even though they trailed for a short period. New Albany scored one run in the top of the first inning but the Mustangs came back to score two in their half of the inning and they never looked back after that.

They added five in the second, already enough for the win, six in the fifth and four in the sixth.

"Overall we played pretty well. We hit the ball real well, as you can tell," commented

Mustang Coach Jeff Wolfe over the phone this morning. "We're looking forward to Saturday."

Walks played an important role in last night's game. Ten Lynchburg batters reached first base on walks and three more were hit by pitches.

Once again Denise Velvins led the offensive thrust. She got on base all six times she went to the plate, going four for four and drawing two walks. Julie Lippert added three hits, including a double and was walked once. Michelle Credit had two hits including a double and was hit by two pitches. Lisa Fawley, Kim Reck and Janie Dotson each added two hits while Barb Short added one.

The Mustangs are now 10-2. They will face Portsmouth Clay Saturday at 1 p.m. to decide to winner of the Waverly Regional.

Mustangs Take Sectional

The Lynchburg-Clay softball team captured its sectional title with a win over the Fairfield Lions in the championship game last evening as the Mustangs continued to use a potent offensive attack to lead the way. The Mustangs got a quick

start with three of their first four batters reaching base. By the end of the first inning they had jumped out in front, 3-0 and they never relinquished the lead in going on to an 18-2 triumph.

The potent Mustang offense was led by Denise Velvins who went four of five and had a double. Lisa Fawley, Julie Lippert and Barb Short were all three of four while Michelle Credit picked up three hits in five at bats. Janie Dotson and Shannon Wilson added two hits apiece.

Tamara Hatch went the distance for Lynchburg and picked up another win.

The Mustangs are now 6-1 and will advance on to district play at an undetermined site.

Lora (Waits) Simmons (1988-1991)
Volleyball, Cross Country, Basketball, Softball

Lora (Waits) Simmons participated in Volleyball, Cross-Country, Basketball, and Softball as a student at Lynchburg-Clay. Although she was a key contributor to the 1989 SHL champion softball team, Lora is most known for her presence on the basketball court. Lora was an integral member of a strong core of players in the class of 1991. Collectively, they raised the level of expectations for the Lady Mustang basketball program. The 1990-91 season ended with a Southern Hills League Championship, a Sectional Championship, and a District Runner-Up finish. Lora was the leader of that team.

During her high school career, Lora was named 1st team All Highland County and All Southern Hills League in 1990 and 1991. In 1991, Lora's Senior year, she was also named All District 14, 2nd Team AP All Southeast District, and Honorable Mention All Ohio. Lora finished her basketball career with 1022 points, 679 rebounds, 107 assists, and 128 steals. Lora graduated with a career record of 58-30 and was just the third Lady Mustang to eclipse the 1000 point barrier.

After graduating from Lynchburg-Clay, Lora attended Wright State University, graduating as an RN in 1995. She worked in the emergency department at Highland District Hospital for 16 years and currently works in the geriatric behavioral health and Alzheimer's Department. Lora's hobbies include fishing with her dad, reading, painting, quilting, and crafting. Lora lives with her husband, Shane, on a farm in the Lynchburg-Clay School District with their 2 Corgie dogs. They have 2 sons; Trevin (22), a student at Capital University and Logan (19), a student at Wilmington College.

Tammy (Hertlein) Clark (1992 – 1995) Soccer, Basketball, Softball

Tammy (Hertlein) Clark was active in Soccer, Basketball, and Softball during her 4-year career at Lynchburg-Clay, but Tammy is best known as a Lady Mustang basketball player. As a 3 year varsity starter, Tammy played a key role on several championship teams.

Tammy was named first team All Highland County 3 times (1992, 93, 94), including the County Player of the Year in 1994. She was named the all Southern Hills League team 3 times (1992, 93, 94). Tammy was named 1st team (1994) and 3rd team (1995) AP All Southeast District, as well as All-District 14 two times (1994, 1995). In 1994, she was named Special Mention All Ohio. Tammy was a member of the 1992 Sectional Champion, District Champion and Regional Runner-Up team. Her Sophomore Year ended with a Sectional Championship and during her junior year, she led the Lady Mustangs to an undefeated SHL and Sectional Championship. Overall, Tammy finished her basketball career with 1047 points, 369 rebounds, 294 steals, and 274 assists. Tammy graduated with a record of 67-24 and was the 5th Lady Mustang to eclipse the 1000 point barrier.

Tammy contributes her basketball success to the countless games played in the backyard against her dad on the court he built for her, as well as the endless encouragement and numerous pre-game spaghetti dinners provided by her mom. After graduating from LCHS, Tammy played basketball for 2 seasons at Southern State Community College before transferring to The Ohio State University where she graduated with a Bachelor of Arts in Communications. She is currently a Senior Account Manager for an advertising agency in Columbus and resides in Westerville with her husband, Chris, and son, Cameron (8).

Aric Fiscus
Baseball Coach, 1997-2010
Athletic Director, 1999-2006

Aric Fiscus was employed by the Lynchburg-Clay School District from 1995-2010. During that time period, he taught students about the intricacies of civics and government in his social studies classroom. His teaching continued on the athletic field where he taught his players the importance of hard work, individual responsibility, and the value of setting goals. Aric served as Athletic Director and coached JV baseball and soccer, but he made his greatest impression as the Varsity baseball coach.

Aric Fiscus was named Varsity baseball coach for the 1997 season and coached through the 2010 season. During Aric's 14 years as coach, the Lynchburg-Clay baseball program won 7 Southern Hills Athletic Conference Championships (1998, 1999, 2000, 2003, 2005, 2006, 2010), 3 Sectional Championships (1997, 2000, 2001), and 1 District Championship (1997). He was named the Southern Hills Athletic Conference Coach of the Year 3 times (1999, 2005, 2010) and finished with a career coaching record of 182-103, making him the winningest coach in Lynchburg-Clay baseball program history. 34 baseball players were named to the All Southern Hills Athletic Conference team while Aric served as coach. 2 of his players would go on to play at the Division I college level.

Aric was more than just a baseball coach. He served as Athletic Director from 1999-2006 and played an instrumental role in the creation of the existing outdoor athletic complex at the high school. During his tenure as AD, the baseball field, softball field, soccer field and concession stand/storage building were constructed. He was also the boys soccer coach from 1995-1999. Although there was not an official SHAC soccer league at the time, the boys program evolved into a contending team during that time period.

In 2011, Aric was named the Principal of Ripley Elementary, where he stills serves today. His first wife, Jennifer, passed away in 2007. He and his current wife Becky and son PJ reside in the Lynchburg-Clay School District.

Joe Wells (1994-1998)

Baseball, Basketball, Soccer, Golf

Joe Wells was a multi-sport athlete during his time at Lynchburg-Clay. He played golf, soccer and basketball (where he was named to the All-Southeast District Team twice), but it is in baseball that he made the greatest impact. Joe was a four year player on the Varsity baseball team. He played the outfield during his Freshman and Sophomore years and really came into his own when he took over the shortstop position as a Junior and Senior. He played on 3 Southern Hills Athletic Conference Championship teams (1995, 1996, and 1998), 2 Sectional Championship teams (1996 and 1997), 1 District Runner-Up (1996), and 1 District Championship team (1997). During his 4 years, the Mustangs had a league record of 46-6 and an overall record of 70-22. The 1997 team that he played on is arguably the best baseball team that Lynchburg-Clay has ever produced.

As an individual player, Joe was naturally gifted with a strong arm, quick feet, and smooth swing and it showed on the field. During his Junior year, he batted third in the lineup and finished the season with a .430 batting average, 34 RBI's, 5 HR's, 29 runs scored, and 14 stolen bases. During his senior season, his batting average was .556, he had 7 HR's, 27 RBI's, 26 runs scored, and 13 stolen bases. Lauren (King) Davis (2002-2006) Soccer, basketball, Softball

Lauren King Davis was a multi-sport athlete at Lynchburg-Clay, but she is best known for playing soccer. The soccer teams that she played on at Lynchburg-Clay were trendsetters, doing what no other LC soccer team had done before. She led a group of seniors that were the first to win championships in the Southern Hills League, the Sectional, and the District for girls soccer. As a group, they would win 3 SHL Championships, 4 sectional championships, 1 District Championship, and were Regional Runners-Up. This group drew the blueprint for success that is currently being used by the soccer program today.

As an individual, Lauren was also a trendsetter. She was named to the All-SHL team 4 times, 1st team All-Southeast District 4 times, 1st team All-Ohio and was named to the National Scholastic Soccer Coaches Association All-Region IV Team. Her 69 career goals was the school record when she graduated. Lauren was the most skilled player in a very successful group of players. Her skill would ultimately become the catalyst for her teammates to build off of.

Lauren also played 4 years of basketball and 1 year of softball. The basketball teams that she played on were very successful as well, winning 2 SHL and 2 Sectional Championships.

After graduating from Lynchburg-Clay, Lauren attended Wilmington College and in 2008 started working in the mortgage industry. Lauren and her husband, Kevin now live in Indianapolis, Indiana where they own and operate a title insurance company.

Brian Glover (1990-1994) Basketball, Golf, Soccer

Brian Glover played multiple sports at Lynchburg-Clay, but it is undeniable that he will be remembered for his basketball accomplishments. When he played, Brian brought an unbridled enthusiasm for the game. He played with passion and always gave everything he had, both during games and at practice. Brian played on teams that won the Southern Hills League Championship, 2 Sectional Championships, a District Championship, and a Regional Championship. He was a key member of the only Lynchburg-Clay team to ever appear in the State Final Four.

On an individual level, Brian was named to the All Southern Hills League team 3 times, was the MVP of the All Highland County team, 2nd Team All Southeast District, 1st Team All Southeast District and Player of the Year, Honorable Mention All Ohio, 1st Team All Ohio, and was named to the All Final Four Team. Brian finished with 1239 career points, which was third all time when he graduated. He also scored 46 points in a game, which places him second in Lynchburg-Clay boys basketball history.

Brian was a basketball player that gave 100% every day and got as much out of his potential as he could. That desire to succeed was infectious both to his teammates and to the Lynchburg-Clay fans in the stands. Nobody could complain about not getting their money's worth when they watched Brian play.

Brian currently lives in Columbus where he is a store director for Meijer. He and his wife, Sonya, have been married for 13 years and they have 4 children; Dakota, Mackenzie, Aden, and Kylee.

Terry McGinnis

Community Member and Athletic Supporter

In 1978, Terry McGinnis and his wife Janie bought what would become Terry's Grocery. Since then, Terry has been instrumental in supporting the youth within the Lynchburg-Clay School District. He has sponsored countless youth teams in pee wee basketball, little league baseball and SAY soccer. In 1999, Terry's generosity led to the formation of Hoagie Day. On the third Thursday of every month, Terry donates the money for every hoagie sold to the Lynchburg-Clay Athletic Boosters. The money raised has been used to furnish the weight room in the field house, purchase warmups for basketball teams, and equipment for high school teams. It has also been used as scholarships for Lynchburg-Clay graduates. Since 1999, Terry McGinnis has given approximately \$93,000 to Lynchburg-Clay through Hoagie Day. Overall, he has given over \$150,000 to the Lynchburg-Clay Athletic Program. Over the last 33 years, every Lynchburg-Clay Athlete has benefited from Terry's generosity in some way or another.

Andy Richmond 1966-70 Basketball

The Lynchburg-Clay School District was formed in 1966 and Andy Richmond was instrumental in putting the Mustangs on the map athletically. While Andy participated in Cross-Country, Track, Baseball, and Volleyball, it was in basketball that he was most dominant. In 1967, Andy started 3 tournament games as Freshman and was instrumental in Lynchburg-Clay winning their first ever Sectional Championship. He would go on to start for the varsity Mustangs for the next 3 years. During those years he accumulated 1361 points, which was the school record until 1993 (and is still second most all-time). He also grabbed 940 rebounds during his career, which is still the Lynchburg-Clay career record. He set the single game scoring record with 43 points vs. Eastern on February 13, 1970 (it has since be broken) and he set the school single game record with 28 rebounds vs. Fayetteville on November 22, 1969 (which still stands). His career averages were 20.6 points per game and 14.2 rebounds per game. In 1969, he led the Mustangs to the Highland County League Championship, was named to the Seaman Christmas Invitational All-Tournament Team, and was named All-Ohio.

During his basketball career, Andy received scholarship offers from numerous colleges, including a call from Joe B. Hall and the University of Kentucky, but chose to enroll at Gulf Coast Community College in Panama City, Florida upon graduation from Lynchburg-Clay. He returned from Florida and lived in the Highland County area until his death on July 5, 1990. He is survived by his 4 children and 8 grandchildren: Toni Richmond and her children Ryan and Cheyenne; Traci Fittro and her husband John and their children Alec, Morgan, and Zoe; Chad Richmond and wife Nicole and their children Noah and Morgan; and Heath and his daughter Grace.
