Career-Technical Application Application Availability

Lynchburg-Clay High School will be accepting applications using our online application system beginning November 2021. The application will be available by paper or on our website at the start of the school year.

Students are strongly encouraged to apply by the priority deadline, as there are limited spots available per program. A parent/guardian must be present to complete the application.

Program Options

Lynchburg-Clay has more than 25 programs to choose from at both the Great Oaks Career Campuses (Diamond, Laurel, Live, & Scarlet), as well as our satellite program housed in our high school.

Admission Requirements

Students in 11th, and 12th grade are eligible to attend and are encouraged to apply in the fall of their 10th grade year.

Students who are eligible to attend a Lynchburg-Clay participating school, and who meet admission requirements, will have first priority in all programs.

- Students must complete the online application. A parent/guardian should be part of the application process.
- Students must meet the requirements of the particular program in which the student wishes to enroll:
 - must have earned four (4) credits required for graduation, or the equivalent, by the first week of October of the anticipated enrollment year
 - applicants with sophomore status are assigned the highest priority in the selection process
 - GPA requirements apply for a particular program
 - attendance of 90% or better
 - limited discipline history

Admission Time Frame

Students are encouraged to apply by the priority deadline (All applications submitted by the priority deadline are reviewed at the same time.) There is no application fee. The application timeline is below:

- **Round 1- PRIORITY deadline February 2022 (status letters mailed mid-late March)**
- **Round 2- deadline March 2022 (applicants that do not qualify based on credit requirements must submit The Great Oaks Credit Recovery Plan to be considered for acceptance)**
- **Round 3- On-going through the summer as space permits (status letters mailed in the first part of May and monthly)**

****See your counselor for your high school's specific deadline dates or more information.***

At the end of each round of application, students will be notified by the associate school counselor and by mail whether you have been accepted or wait-listed into a career center program. The Admissions Review Team continues to review applications and the wait-list in a timely manner throughout the process.

Applicants who are not selected for their first program choice are considered for their second choice. Applicants who are not selected for either their first or second choice are placed on a waiting list and considered for acceptance into requested programs as space becomes available.
